

STEVENS INSTITUTE OF TECHNOLOGY PRESENTS

STEVENS AI CONFERENCE 2026

Leveraging AI for Business Value

THURSDAY, OCTOBER 8, 2026 · 9:00 AM – 5:00 PM

UNIVERSITY CENTER COMPLEX (UCC) GALLERY · STEVENS INSTITUTE OF TECHNOLOGY · HOBOKEN, NEW JERSEY

From promising technology to measurable business value.

A focused day for executives, researchers, faculty, and industry practitioners — conversation, not lecture:

- Executive fireside chats with industry leaders
- Real-world AI implementation stories
- Interactive Q&A and open discussion
- Networking reception with speakers and peers

WHO SHOULD ATTEND

Business executives · AI leaders · data scientists · product & operations leaders · healthcare professionals · researchers · faculty & students
